Dear Eric:

It is my understanding that you spoke with Brad Thompson, an employee of Friends of John Tanner. He explained to me that the Refunds of Contribution necessary for the G2010 have not been reflected in our Year End Report.

Please know that the refunds will be reflected in our April Quarterly Report. I am sorry for this misunderstanding.

You will be receiving copies of the refund checks in the mail the first part of next week. The copies of the refund checks along with the April Quarterly Report should make us compliant with the FEC.

Thank you for you time and attention to this matter.
